

## LSB ID Guard can help prevent identity theft!

Identity theft is one of the fastest growing financial crimes in America. That's why we are very serious about our role in preventing your personal information from being compromised. Your information is private and should be kept that way, so in order to help us ensure your information *stays* private, we are excited to introduce **LSB ID Guard**. LSB ID Guard is a cost-effective, proactive safeguard to protect your identity that includes:

**Credit Alert** - With 24 hour, daily credit monitoring, you will automatically be alerted of any inquiries or significant changes in your credit score.

**Card Patrol** - Sophisticated, real-time, early warning technology monitors various chat rooms across cyberspace where thieves could be selling and trading YOUR information. In the event some of your personal information is being offered for sale, you will be contacted.

**Payment Card Protection** - Register all your credit, debit, ATM and check cards at one time and in one place. If your cards are lost or stolen, simply call one convenient toll-free number, 24 hours a day, to cancel cards, stop unauthorized purchases and request new cards.

**ID Theft Insurance with Fraud Assistance** - If you are a victim of identity theft, you will have up to \$10,000 in financial compensation for qualified expenses (such as lost wages) incurred in the recovery of your stolen identity, as well as expert help to assist you in organizing paperwork, notifying creditors, etc.

Enrollment in LSB ID Guard is optional on all LSB checking accounts. For more information or to enroll, contact your local branch today!
